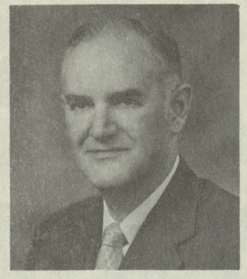
A Welcome from President Fredric B. Irvin

It is always a pleasure to welcome Newberry fans and our visitors from out-of-town to the campus and to Setzler Field for some of the finest small college football in the Southeast.

During my three years at Newberry I have watched talented and well-coached young men competing with a determination to win—and they have won in a big way. They have set not only school and state records but in my first year here the football squad set a national record for intercepting 41 passes during the season.



Dr. Fredric B. Irvin

We are grateful for the splendid support given to the Indians by the citizens of Newberry and Newberry County, as well as by alumni and friends of the College over a wider area.

And the Indian Club deserves a special note of thanks. The Indian Club which is our sports booster organization has increased its support very generously the past three years through hard work, good organization, and strong leadership.

Its goal this year is $40,000; three years ago when I came to Newberry it was $20,000—an amazing increase of 100 percent.

Its gifts will amount to more than a third of all the grants given by the College for intercollegiate athletic competition in all sports; and it will have assisted from 80 to 90 student-athletes to come to Newberry. The grants are often very modest, but they make the difference in whether or not a young man can attend a private college such as Newberry, where tuition and fees must of necessity be higher than in tax-supported institutions. So we salute the officers and members of the Indian Club and thank them all—the regular members, the Indian Braves, and the Indian Chiefs.

Credit must be given to the football coaches—Fred Herren, Horace Turbeville, Al Guy, and Rubie Yonce, and also to Nield Gordon for his fine work with the basketball squad.

We should also give thanks to the Lutheran Brotherhood for providing the funds for a new basketball floor in MacLean Gymnasium. When the season begins in November, the cagers will be playing on the new court that was installed this summer—the first since the gymnasium was built in 1924.

Finally we express our appreciation to our cheerleaders, to our band, and to all of the student groups who add to our athletics program by their work and enthusiasm.

Visitors to our football, basketball, and baseball games are also most welcome to attend our other College activities and programs that range from lectures and films to superior student and professional musical and dramatic productions.

Fredric B. Irvin

THE 1974 OUTLOOK

The 1974 Newberry Indians should be somewhat improved with a large nucleus of players returning from last year's squad. Only three starters will be missing from the offensive, but they were good ones—Tommy Williamson, who was a starter at quarterback since the fourth game of his freshman year, graduated, as did receivers Dusty Triplett and Rusty Davis who caught 29 and 32 passes respectively last year.

All the running backs and fullbacks will return. Ron Harwell, the leading rusher from last year's squad and Greg Fulwood will be working at fullback; Rufus Johnson will be the tailback. The combination of these three should offer the best rushing offense in recent Newberry history.

Tri-captain Stuart Leslie will move into the quarterback position vacated by Williamson. Leslie is 6'1'', weighs 190 lbs., has a strong arm, and will present a real problem for the opposition's secondary. Primary receiver will be Bob Doppelheuer, who was chosen on the All-District team and caught 32 passes last year. Mark Simms and Jim Tucker have the inside position on the tight end and flanker spots.

The offensive line will return intact. They will be led by All-District NAIA Allen New at 6'5'', 245 lbs., and Tri-captain Mike Harper, a two-year starter at offensive guard. All-District center Det Haislip, Stanley Smith, and Mike McGroarty round out the starters returning from last year. They can expect help from Ralph Wulfjen, Eddie Overstreet, and Frankie Strickland. With good people in skilled positions and an experienced offensive line, the Indians should put lots of points on the board in 1974.

Tackle Willie Craven, noseman Charlie Warren, and linebacker Tommy Eaves will provide the leadership as returning lettermen on the defensive front. Help will come from Gene Huiet, Charlie Upchurch, and Ronnie Adams. The most difficult to replace will be linebacker Greg Hartle, ''All-Everything'' who was drafted by the St. Louis Cardinals. Battling for this position are Fisher Strom and Mike Austin.

The defensive ends must be completely replaced as graduation took away all starters in that position. The competition is between Jimmy Fleming, Ronnie Chrisley, Sidney Martin, and David Daniel, with Fleming and Chrisley having the inside track at the end of spring practice in February.

The secondary will return two of the four starters last year. David Sanders, who set the school career interception record, must be replaced, and it will be done by Ricky Loftis. The returning starters are Neal Smith and Barry Jones.

Much of the total success of the '74 edition of the Newberry Indians will be determined by how quickly this defensive group matures into an efficient unit. If they develop quickly, the Indians should improve on their 5—5—1 record of last year.

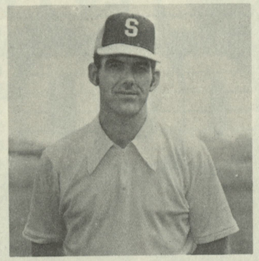
Salisbury	10	Towson State	27	L
			4-2-1	

Nov. 2 Newberry at Newberry
Nov. 9 Madison (Homecoming) at Salisbury

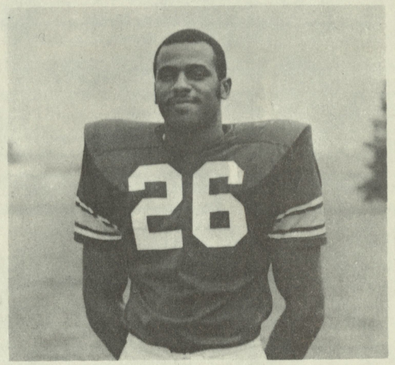
Dick Yobst, Head Football Coach
Chet Hanulak, Offensive Backfield Coach

This is the first time that the Indians and the Sea Gulls have met each other on the gridiron although the two schools met on the baseball diamond this spring with the Indians winning both games of a doubleheader.

Statistics for six games for the Indians and the Sea Gulls reveal almost identical figures for scores and for total offense for the two teams; Newberry-136 points, Salisbury-138 points; Total Offense-Newberry 2,018, Salisbury, 1830. But the Indians lead in the air 918 to 295 while the Sea Gulls have the advantage on the ground 1535 to 1100. (Statistics do not include those from the Salisbury-Towson game on Oct. 26. Salisbury lost the game 27-10.)



Dick Yobst, head football coach for the Sea Gulls



Jim Watson, a sophomore, leads the Sea Gulls in rushing with 714 yards and 36 points. He has also caught 3 passes for 20 yards.

A Look Ahead to Basketball

Seven returning lettermen and several promising newcomers make the 1974-75 picture bright for another outstanding basketball team. Returning from a squad that won 25 games and lost 10 and went to the finals of the District 6 Play-Off for the fifth time in six years is All-State, All-District, Honorable Mention All-American, and the State's leading scorer with a 25 point average, Clyde Agnew, a 6'6'' forward from Greenville, S. C. 6'9'' Moses King from Columbia, S. C., who was also a first team All-Districk 6 performer and the State's leading rebounder with 15 recoveries a game and a scoring average of 18 points, will be back for his junior year to man the center position. Mark Tracy, a 6'6'' Dover, Delaware forward, will probably start at the other forward position. A fine outside shooter who kept the defense from ganging up on King and Agnew. Tracy averaged better than 10 points a game and had several outstanding scoring games for the Indians. Tommy Whitten, a 5'10'' play making guard from Irmo, S. C., is the other returning starter who was the winner of the Best Defensive Player award for the Indians during the 1973-74 season. Tommy is a good guard who sacrifices his scoring to concentrate on getting the ball inside and defending the other team's top guard.

Several returning veterans and newcomers will be vying for the spot left vacant by the graduation of Gary Pittman. Randy Miller, a 6'0'' guard from Greenville, S. C., who played in all 35 of the Indians games last season, will have a good shot at the job. A good outside shooter and an outstanding passer, Miller only needs to improve his defense to be an outstanding guard. Transfer Robert Edwards, an All-State high schooler from Strom Thurmond, will give the guards competition for one of the spots. A better than average shooter, a good ball handler, with good quickness, Robert will give the Indians more fire power from the outside which was sorely missed last year. Newcomer Sammy Adams, a 6'2'' guard from Southwestern Junior College in Oklahoma, can play either at guard or forward and will add strength at both positions.

Danny Ballard, at 6'4'' and one of the three year lettermen on the team, started several games last year, and his experience and desire could be a big factor in many of the games this season. Charles Crawford, a 6'5'' forward from Greer, S. C. and a transfer from Friendship Junior College in Rock Hill, S. C. where he was the leading scorer and rebounder on a team that won 20 games, will add depth to the forward and center positions. Bobby Griffin, at 6'6'' and from nearby Whitmire High School, had an outstanding career which saw him lead his team in every offensive and defensive category. Bobby was All-State in both football and basketball and was sought after by many colleges for both sports. He was the Most Valuable Player in the North-South All-Star basketball game as he led the North to win over the South in the annual classic. An outstanding career lies ahead for Bobby as a member of the Indians. Grady Ray, a 5'10'' freshman guard from Spring Valley High School, will be the only other freshman on the pre-season roster.

Optimism reigns in the Indian camp for the coming season. Coach Gordon says, ''There is more individual talent and ability within this group of players than any I have ever coached, and if they can be blended together, it could produce the best team ever at Newberry College.''

Join the Indian Club Today!

The Indian Club, the athletics booster organization at Newberry College, ended its best season ever last year by presenting the College with $36,000 to be used in the College's program of financial grants for athletics.

In looking to the future, Harold Folk, the Club's president commented, "The Indian Club is dedicating itself during the 1974-1975 school year to giving $40,000 to the College's athletics program.

"This is the largest contribution we have made," Harry Hedgepath, executive secretary of the Club, said in presenting the check to President Fredric B. Irvin. "In making this gift available," he added, "Our members recognize the importance of athletics to the complete College program."

The College grants 26 football scholarships, nine basketball, and three baseball scholarships annually.

Over 500 fans of the College's football, basketball, and baseball teams were members of the Indian Club in the year ending June 30; the membership drive for the new school year began immediately Hedgepath announced. By early September, Indian boosters, including 300 Chiefs, had joined the Club for this year.

TYPES OF MEMBERSHIPS

$15	Regular Membership
$25-$100	Indian Braves
Over $100	Indian Chiefs

Regular members and Indian Braves receive an auto decal and a membership card. Indian Chiefs also receive two tickets to all home football, basketball, and baseball games and reserved parking space at all home football games.

All Indian Club members are given an opportunity in July to purchase tickets before they are sold to the general public.

For membership or additional information, contact Harry Hedgepath; he may be reached in his office in Wright Hall on the campus. His telephone number is 276-5010, ext. 217.

Over the years, Zenith color TV has earned a reputation for dependability and picture excellence no other color TV can match.*

And today's Zenith solid-state Chromacolor II backs up that reputation with a combination of features no other color TV can offer.

The famous Chromacolor picture tube that set a new standard of excellence in color TV. A patented Power Sentry voltage regulator that protects components. And a rugged, 100% solid-state modular chassis for long-life dependability.

It's the best way we know to make sure, at Zenith, **the quality goes in before the name goes on.**®

Model shown: F4752P, the Reynolds. TV picture simulated.

*For the third straight year, a nationwide survey of independent TV service technicians has named Zenith, by more than 2 to 1 over the next best brand, as the color TV needing fewest repairs. The same survey rated Zenith as the highest-quality color TV, as the one with the best picture, and as the one service technicians would buy for themselves today. Survey details on request.
